Projects

Forest City Project

A public information campaign encouraging citizens to reconnect with nature by highlighting the importance of integrating trees in cities.

DecarbEurope Campaign

Energy transition leaders from different industry sectors coming together to advance solutions for a sustainable future.

Visualizing Energy

5 years and counting of communicating the energy transition with our annual forum & exhibition highlighting the human dimension of renewables and energy efficiency around Europe and beyond.

Horizon 2020

INHERIT (RIA)

Ongoing (Jan. 2016 – Dec. 2019)

INHERIT is about stimulating effective policies, practices and innovations that address key environmental stressors and promote health equity and wellbeing. This project aims to encourage us to modify our current lifestyles and to formulate scenarios for a more sustainable future.

www.inherit.eu

AdvanceFuel (CSA)

Ongoing (Sep. 2017 – Aug. 2019)

ADVANCEFUEL will generate new knowledge, tools, standards and recommendations that can overcome barriers to the commercialisation of renewable transport fuels.
